SUPPLEMENTARY INFORMATION:

A. Purpose

The collection applies to the FAR requirements for a contractor code of business ethics and conduct, an internal control system, and disclosure to the Government of certain violations of criminal law, violations of the civil False Claims Act, or significant overpayments.

The 60 hour burden estimate reflects revisions resulting from public comments as reflected in the November 12, 2008, final rule (73 FR 67064). In response to public comments the Government stated the initial estimate of 3 hours was inadequate and revised the estimated burden hours to 60 per response. The change particularly considers the hours that would be required for the collection within a company, prior to release to the Government.

B. Annual Reporting Burden

Respondents: 276.

Responses Per Respondent: 1.

Total Responses: 276.

Hours Per Response: 60.

Total Burden hours: 16,560.

C. Public Comments

Public comments are particularly invited on: this collection of information is necessary for the proper performance of functions of the FAR, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology. OBTAINING COPIES OF PROPOSALS: Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street, NW, Washington, DC 20405, telephone 202-501-4755.
